

661—502.1 (103) License categories and licenses required.

502.1(1) The following categories of license are established:

- a.* Electrical contractor.
- b.* Master electrician, class A.
- c.* Master electrician, class B.
- d.* Journeyman electrician, class A.
- e.* Journeyman electrician, class B.
- f.* Apprentice electrician.
- g.* Special electrician.
- h.* Unclassified person.
- i.* Inactive master electrician.

502.1(2) A person who holds any class of license issued by the board, other than a class B license, may perform the work authorized by that license anywhere within the state of Iowa. A person who holds a special electrician license may perform the work which is authorized by that license endorsement. A person who holds a class B license may perform the work authorized by that license except in a political subdivision which, by local ordinance, has, pursuant to Iowa Code section 103.29, subsection 4, as amended by 2009 Iowa Acts, Senate File 159, restricted or barred such work by a person who holds a class B license.

502.1(3) A person who does not have a current valid license shall not perform work as an electrician or as an unclassified person. A person shall not perform work which requires licensing and which is not specifically authorized under the license issued.

EXCEPTION 1: A person who holds a current valid license issued by a political subdivision may perform work as an electrician or unclassified person within the corporate limits of the political subdivision which issued the license.

EXCEPTION 2: A person may work for up to 100 continuous days as an unclassified person prior to obtaining a license. Any documented time during which a person has worked as an unclassified person prior to January 1, 2008, or any time during which a person has worked as a licensed unclassified person shall be credited to any applicable experience requirement. Any time during which a person works as an unclassified person without a license on or after January 1, 2008, shall not be counted toward any such experience requirement, except that a person may receive credit for time worked as an unclassified person on or after January 1, 2008, without a license if the person has applied for a license.

EXCEPTION 3: Electrical installations in buildings, including residences or facilities which are being constructed as part of a course of instruction by an accredited educational institution, may be performed by a person who is not licensed. Such installations are subject to the requirements for permits and inspections pursuant to 661—Chapter 552.
